SPECIAL INFORMATION

Please read carefully

Avoid disappointment by ordering early. Quantities are extremely limited on some varieties and you will be assured of best selection by making prompt reservation. Please give us permission to substitute with greater value when necessary.

Unless otherwise specified, Root Orders will be shipped between April 1 and May 1. Our quotations include ordinary delivery charges by Parcel Post. If you wish delivery by Special Delivery mail, please add 35c to your remittance.

Please make your order amount to \$3.00 or more if possible. It actually costs us as much to handle a \$3.00 order as it does to handle a \$5.00 or \$10.00 order. The same amount of detail work, inspection, packing, carton and handling is required. We will appreciate your consideration.

While our terms are invariably "Cash with Order," we will, as a matter of accommodation, book your order upon receipt of a deposit of 25 per cent of the amount of the order — balance to be paid prior to delivery time. Positively no COD orders accepted.

Usual trade discounts apply to all items excepting Special Collections and Bargain Offers. Commercial growers please use business letterhead when requesting wholesale prices. Large quantities a matter of correspondence. Send us your "Want List" for special price.

Special planting instructions accompany each root order. These instructions cover all of the necessary details of Dahlia culture including: preparation of ground, planting, fertilization, debudding and pruning, digging root crop and winter storage.

Order early and keep a copy of your order. All orders acknowledged and stock is immediately selected and reserved for you.
